Dear Gilberto

We would like to schedule a visit on your Shipyard Brasfels at Angra dos Reis next Wednesday 27<sup>th</sup> February 2013 with the representative from UKEF – UK Export Finance, the UK's export credit agency.

They are attending Brazil with the special focus for financing of packages for SETE Drilling Units Project.

The Topics to be discussed will be Brasfels plan to build the drilling rigs in Brazil and how to achieve the time schedule. They would like also to visit the site.

We believe that the presentation that was already done for the last visit of GIEK will be enough.

Pls kindly confirm availability.

Rgds
